It's Here! HIC's New Catalog

HIC - Harold Import Company, Inc. presents its new 260-page 2008-2009 catalog featuring hundreds of new products from dozens of categories. Some of HIC's many new items include triangular-shaped porcelain dinnerware, woven textiles for the kitchen and tabletop, Fusionbrands' Love Handle, Butter Boy Family Pack, Grill Friends™ Super Silicone™ Offset Spatulas, collapsible silicone funnels and strainers, plenty of Plink and more — much more.

This is the sixth H. Hargrove painting to grace the cover of HIC's catalog. His cover art has taken us from an old-time general store on "Main Street USA" to a vintage winery on a "Sunny Hill" in California, to Hargrove's native Italy and a small village in Chianti in "A Return to Tuscany", to outer space in his "Zero Gravity Kitchen", back again to Italy and the famous canals in "The Romance of Venice", to the "Cross Roads of the World" — about a mile away from where HIC began — Times Square.

Visit HIC at the March Housewares Show, booth # S1450, to explore all of their new and exciting products.
