Harold Import Company and Helen Chen Launch Helen's Asian Table™

JULY 11, 2007 — Harold Import Company launches a new tabletop division — Helen's Asian Table™ — a collection of fine-quality, Asian tableware created by Helen Chen.

"My Asian Table line brings back authentic, traditional shapes," states Chen, "with ancient style, crackle glaze and hammered iron handles."

The inaugural collection features four gracefully-shaped, ceramic teapots in subtle white or green crackle celadon glazes with tall and squat teacups to match. Perfect for Asian or Western tea.

SRPs range from \$4.99 for the tea cups and \$19.99 for the teapots.
