

La Fante Combo Spice Mill

March 1, 2010

Harold Import Company – HIC proudly introduces the new **La Fante Combo Spice Mill** from **Spice Ratchet Mills, LLC**. A traditional look with a modern flare, this sleek new design incorporates a beautiful hexagonal clear AS (Acrylonitrile-Styrene) resin body and a very durable ceramic grinding mechanism.

La Fante Combo Spice Mill features:

- Transparent body allows viewing of contents
- Upper compartment for sprinkling salt and other finely ground spices
- Lower compartment holds spices for grinding
- Easy to adjust grind from coarse to powder fine
- Removable mechanism is dishwasher safe
- Easy disassembly for dry cleaning of mill body
- 20-year limited warranty on mechanism

As a part of their **“Eat Healthy, Live Better”** campaign, Spice Ratchet wants to help people to better understand the versatile usage of their spice grinder product and develop new healthier eating habits, using more natural ingredients.

What a great way to start your day with Spice Ratchet! - Grind some fresh cinnamon by using the lower grinding compartment, then sprinkle raw organic sugar from the upper compartment to make cinnamon toast or to add flavor to a bowl of hot oatmeal.
