HIC and Gourmet Classics Cultivate a Green Kitchen

APRIL 2, 2009

HIC—Harold Import Company and the KAF Group, manufacturer of Gourmet Classics textiles, introduce their new “For Our Planet™” line of 100% organic cotton textiles.

“We want to be good for the planet without having people compromise on quality, value, and fashion,” states Amin Mysorewala, president of KAF Group, manufacturer of Gourmet Classic Textiles. “Our products are friendly to the earth, have great style, function and price points. They are a true Gourmet Classic.”

Soft, durable, and absorbent, the 100% Organic Cotton is grown using a chemical-free process and biologically based fertilizers. Eco-friendly dyes and recycled packaging sweeten to the deal. Items include kitchen towels, dish cloths, oven mitts, pot holders for a green kitchen and market bags for eco-friendly shopping.

Gourmet Classics is a brand exclusively available through HIC—Harold Import Company; Brands That Cook since 1957.

SRPs range from \$3.99 to \$7.99.
