

The World's Greatest Tri-Blade Rotational Peeler

JUNE 16, 2010

From the design team that brought you the World's Greatest Potato Masher, the Ultimate Rapid Whisk and the Scoop-n-Brew, HIC introduces the World's Greatest Tri-Blade Rotational Peeler.

Its stainless steel blades offers the variety of three peelers in one. Regular, soft skin or julienne blades peel everything from potatoes, tomatoes and carrots. Easily dial 1, 2 or 3 for the blade you want. Great for zesting citrus or shaving chocolate, too!

With a comfort-grip handle and storage safety guard, it's perfect for home or professional use. Dishwasher safe.
