Harold Import Company and Mama Frescos™ Saves Today's Pizzas For Tomorrow

JULY 5, 2007 — Harold Import Company joins forces with Mama Fresco's™ to 'Save Today's Pizza For Tomorrow™.' The slice-shaped Pizza Saver Bags are easy to use and keep left-over pizza fresh until you are ready to re-heat and eat.

'The clear, disposable storage bags are a convenient size and will save your pizza from drying out,' states innovator and inventor, Jonathan Rothstein. 'They provide no-hassle storage per slice and are fridge and freezer friendly.'

Say "Ciao!" to torn aluminum foil, folded pizza slices in plastic containers and slices stacked and stuck on plates. No-hassle storage is here and saving pizza around the world.

The bags come in a pack of 12 and sell at an SRP of \$2.99.
