## Harold Import and Lékué Spring into Action

*Introducing the perfect combination for a springform pan – silicone and ceramic*

AUGUST 21, 2006 — Harold Import Company introduces Lékué's springform pan. For the first time ever, 100% non-stick platinum silicone walls and a scratch-resistant ceramic base come together to create the perfect springform. This innovative combination brings many benefits to the table including:

Space efficient — rolls up to save space

Mess free — non-drip sealing system locks in matter

Easy fit — perfect-fitting parts make assembly a snap

Easy use — ergonomic handles make transport a breeze

Worry free — scratch-resistant ceramic base resists cuts

Thanks to its stability and attractive appearance, it's the ideal pan to display your creation at the table. SRP \$39.99.
